Benefits Administration with a
Difference

Dear Client,

The following e-mail blast is being sent to participants today:

Getting access to your P&A Plan information is now easier than ever! We have added two new text messaging codes to make accessing your P&A Account even more convenient:

-Text **HIS** to 70626 to receive real-time information about your account history

-Text **DEP** to 70626 and receive your deposit history

In order to enable the text messaging feature, please update your online P&A Account profile with your mobile number by logging into your account at www.padmin.com and selecting "Profile."

You can also receive a text message with your account balance or claim status. Text **BAL** for your account balance update or **CLM** for an update on your submitted claim.

Did You Know?

P&A also has a mobile site where you can submit a claim, enroll in direct deposit and more! Go to www.padmin.com on your smartphone and access all of our latest electronic tools.
